Presentation Details

The following has to be considered:

- MS-Powerpoint, format 4:3 or 16:9. You may use your own template with your corporate identity.
- The presentation should focus on content, results, experiences. It should not be marketing, though a very short company presentation (1 slide) is ok.
- Pages should be numbered.
- The exact duration of the presentation (approx. 20') depends on the final program. The time will vary based on the session length and the number of presenters. Q&A sessions (approx. 5') may be directly after the presentation or at the end of a session.
- The number of slides should not exceed 10.
- Presentations will be projected with a beamer by the organizer of the event.
- Please submit your presentation and a short CV (3-4 lines to introduce you optimally) no later than 2 weeks before the GSM symposium.
- Please send the presentation directly via www.GridServiceMarket.com/UPLOADpres.
